

NWEBG Sponsorships: Monthly Education Sessions

Monthly Education on unique topics led by industry leaders known for driving sustainable design trends and green building methods. Registration is \$10 for the Public and FREE to all NWEBG members!

Scheduled for the fourth Wednesday of each month (January-October), from 6:30 - 9:00 pm.

**June Education session:
Passive Cooling Strategies for Homes**

Designing and retrofitting homes to beat the heat without the need for mechanical systems.

Join the NW EcoBuilding Guild for their June Education Event: Passive Cooling Strategies for Homes. Learn from experts on strategies to incorporate thermal comfort strategies without the need of mechanical equipment in retrofit and new construction projects.

"Virtual" doors will open at 6:00 PM and presentations will start at 6:30 PM.

Bridging the Gap in Sustainable Building Opportunities

A networking opportunity for trades, contractors, and labor to meet with green builders and designers in our industry.

Wed., November 8, 2023 at 6:30 PM via Zoom

Join the NW Green Building Guild and Emerald Cities Collaborative for this networking event and participate in discussions that bridge skilled professionals with sustainable builders and designers. Learn about each of the organization's programs and opportunities and how they can best fit the needs of your organization and project goals. Participants will network and share industry knowledge, challenges, strengths, and best strategies for inclusive workforce development.
